Re: Z13-013 Buchanan Energy Zoning Petition

Dear Mr. Rogala,

Thank you for contacting me with your concerns regarding the proposed gas station at the northeast corner of Route 53 and Butterfield Road. The Zoning Board of Appeals (ZBA) and County Board members will consider your letter as part of the deliberations on this matter.

This matter will be considered by the ZBA at their July 11, 2013 Recommendation Meeting. Once the ZBA completes their review, the matter will be considered by the County Development Committee, most likely at their Tuesday, August 6, 2013 meeting at 11 AM in room 3500 B in the County Administration Building. If the Development Committee takes action on August 6, 2013, the matter will likely proceed to County Board on Tuesday August 13, 2013 at 10:00 AM in the County Board Chambers.

At the Development Committee and County Board meetings you are afforded the opportunity to speak to the matter. While no new evidence can be taken, you are given an opportunity to voice your concerns during public comment. In addition, you can monitor the progress of these meetings on the County's website at www.dupageco.org using the "Agendas" link.

I have forwarded your comments to Paul Hoss with the Department of Economic Development and Planning. For further information, please feel free to contact Mr. Hoss at 630-407-6700.

Once again, thank you for sharing your thoughts and concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cronin".

Daniel J. Cronin
DuPage County Board Chairman

C: Paul Hoss, Zoning Coordinator
